TAYLOR'S TALK

This afternoon we welcome the players, officials and travelling supporters of **Shaftesbury** to The Imagine Cruising Stadium for what I believe, is their first ever visit to Swindon Supermarine. With this being the first home fixture of 2026, let me start by wishing you all a happy and healthy new year.

This afternoon, we welcome the players, officials and supporters of Shaftesbury FC to The Imagine Cruising Stadium for what promises to be a highly competitive contest, based on their previous encounter back on August Bank Holiday Monday.

The visitors, under the guidance of manager, Jim Milligan, sit comfortably in the playoffs having gone on a great unbeaten run in the run-up to Christmas before losing to league leaders Frome Town, and will certainly be one of those teams in contention for promotion at the back end of this season.

Shaftesbury ran out 3-1 winners when the two sides clashed back on August 25th, with the scoreline somewhat flattering the home side in a game that saw Marine match their opponents but failed to take their chances created.

Shaftesbury's Jake Lovell was shown a straight red card first half for an off-the-ball elbow, which was soon followed by another red card, this time to the home side's Assistant Manager for an off-the-pitch incident!

After Marine striker, Dan Warre, had levelled the score up 1-1 with a 25 yarder, the game swung back in Shaftesbury's favour after a pass out of defence was intercepted, the advancing striker was then alleged to have been brought down just inside the penalty area by Sam Turl and Santos dispatched the resulting penalty. The second half saw Marine create the better openings before being caught on the break in the final few minutes.

Milligan's promotion-pushing squad is built upon a solid, experienced core of southern-based players with many having played at a higher level. Former Salisbury, Poole Town and Wimborne striker, Toby Holmes leads the line, supported by ex-Wimborne Town team mates Harry Baker and Jack Lovell, whilst both Harvey Bradbury and Alefe Santos also add experience to the squad.

With players returning from long term injuries adding competition to Bobby Wilkinson's young squad and with the Marine supporters getting behind their team, today promises to be a belated Christmas cracker!

Finally, we also welcome the players, coaches and families of both Ferndale U12's Rascals for their second visit this season, and Ferndale U12's Eagles to their Matchday Experience this afternoon, which should make for an interesting match-up at half time on the pitch! My thanks to Lynsey Ball and Leanne Ladd for liaising with me.

Nick Taylor

MANAGER BOBBY WILKINSON

Good afternoon and a warm welcome to the officials, staff, players and supporters of Shaftesbury 1888.

It seems longer than the six weeks it is since we last played at home, which was the 3-1 defeat by league leaders Frome Town in extremely heavy conditions.

Myself, my team, and of course all the players wish you a Happy New Year and trust you all had a great time with your families over the festive period.

We now need all your support for a brace of home league games starting with high flyers Shaftesbury today and then lowly Brixham AFC next Saturday and we are going to need everyone's support as we are in a bit of a 'storm' at the moment!

We're in a huge transition at this moment of the season but you have to believe and do what's right to help the players climb out of this situation and not look at the negatives today.

Let's look at some of the positives. We are really pleased to bring in a new signing this festive week with former Marine leading goalscorer Conor McDonagh returning to

Marine from Hungerford Town, we are more than happy to have a player of his experience in today's squad. The signing of Conor, along with both Dan Warre and Frankie Monk returning after lengthy injuries to the squad is a massive plus for the squad.

Additionally, we have both Sam Turl returning to the squad today after a three-game suspension and Tom Farnsworth is also back from Eastleigh, so we have a lot of positives ahead of today's tough game with Shaftesbury.

Today, we must play with a lot of energy and purpose and put on a very good performance. We let ourselves down at Didcot last week, we didn't play at all well and we didn't take the few chances when they came and our final delivery just wasn't good enough on the day!

We've done a lot of work in training this week having in Monday and New Year's Day preparing for this very important game. We are now in the second half of the season and we must start picking up some results and ultimately points to move us up the table!

A WARM WELCOME TO **SHAFTESBURY 1888**

CLUB HISTORY

The original Shaftesbury FC were founded in 1888 after builders from Warwickshire requested a football match with the local men of Shaftesbury working on Motcombe House. This led to Shaftesbury Football Club being founded at the Ship Inn in the town.

Originally the club played at the original cricket field the other side of Coppice Street in the local Shaftesbury & District League.

By the 1930's the club began playing games in the wider area of Dorset and added 'Town' to the club's name. The club also moved to Barton Hill in 1935.

It is believed there was also once a ground at St James outside the town. An original history was written by former player Terry Warder on the 100th year centenary in 1988 and is a fascinating insight to the early years of the club.

Shaftesbury were founder members of the Dorset Combination League in 1957 and in 1974 moved to Cockrams with the ground situated next to the current one. Shaftesbury won the Dorset Combination League in 1988/89 and 1995/96.

A new ground was opened in 2001 with a 220 seat stand constructed. The club joined the Wessex League Division 2 in 2004/05.

SHAFTESBURY FC 1888 - A NEW ERA

Relegated in 2010/11 back to the Dorset Premier League after some lean years as Shaftesbury FC and known as Shaftesbury Town as well the club became Shaftesbury FC 1888 and in 2015/16 were promoted back to the Wessex League as Dorset Premier League champions.

Now known as Shaftesbury FC 1888 FC taken over by the Coffen family after financial collapse of the old club and the name of the club incorporated the year of the original foundation of the football club in the town with Steve Coffen chairman.

Promotion to the Premier Division followed in 2016/17 and in 2021/22 the club won the Wessex League Cup and got to the 2nd Qualifying Round of the FA Cup playing Bath City from the National League South achieving a record attendance of 675.

The club now had a 3G surface installed and reached the 3rd round of the FA Vase in 2022/23 going out to Brixham AFC on penalties.

The 'Rockies' were promoted in 2024 as playoff winners, winning the final 1-0 at AFC Stoneham to get promoted to the Pitching In Southern League Division 1 South for the first time ever.

Shaftesbury finished 17th last season adding a second consecutive Salisbury Hospital Cup win against Shrewton United.

A VIEW FROM THE GS YUASA STAND

We extend a warm welcome to We extend a warm welcome this afternoon to the players, officials, and travelling supporters of Shaftesbury FC.

We trust you enjoy your visit and the hospitality here today and that together we can look forward to a committed contest played in the right spirit.

For Swindon Supermarine, 2025 has been a year best faced squarely. Relegation in April was a blow that never lands lightly. It brings with it not only the practical realities of a new division and unfamiliar opposition, but also the psychological shift that comes when expectations must be reset. The margins at any level are small. Once momentum tilts the wrong way it can be stubbornly difficult to set it right again.

Adjusting to our new division has not always been comfortable. There have been afternoons when effort has outstripped reward, when the ball would not quite break, when performances hinted at more than the scoreline allowed. It is in such periods that resolve is most quietly tested. Nobody at the club is in doubt about the work ahead; nor is anyone short of appetite for the task.

Supporters, too, have their part. It is easy to sing when the sun shines. It takes a different kind of loyalty to stay the course when results disappoint and confidence is fragile. The players are not immune to the mood around them; your backing matters.

No side ever improved by being abandoned when most in need of steady voices behind them. The unity of players, staff, and supporters will be central to what comes next. As we turn the page into 2026, we do so with renewed hope. A new year brings a clean slate, fresh energy, and the opportunity to shape our own story.

With your backing, and the players' commitment to the badge, there is every reason to think the months ahead can be about rebuilding confidence and rediscovering momentum.

The journey back starts here, step by step, together!

Come on Marine!

SUPPORTERS CLUB FUNDRAISERS £1-A-POINT & SEAT DONATION

Each season we have three supporter's initiatives, the **£1-a-Point Membership**, **Seat Donation** and **Match Predictor Quiz** and we will be looking for your support on these initiatives once again in this **2025/26 season**.

The Supporter's Club Initiatives are opportunities where you can help the club financially with their Southern League day to day running costs, which vary, from pitch maintenance to the bandages that adorn the player's ankles!

The **£1-a-point** membership, which is as simple as it sounds as you commit to a financial sponsorship of every point, we achieve this season. For a small outlay, each week it is money that perhaps does not get missed as much as a larger sponsorship would. This is an ideal way for the supporters to feel a bigger part of the club and bring value to your support.

Another initiative is our **Seat Donation** in the main stand. The cost for this is **£30** and your selected seat will be endorsed with your name, and it is yours to sit in at all our home games that you attend at the Webbswood Stadium.

Your support for both these initiatives will be endorsed in this matchday programme and on the club website. Once again, our friends and supporters will have the chance to participate in any one of these **Swindon Supermarine Supporters Club Fundraising Initiatives**.

If you can help with any one of these initiatives please contact **Keith**, either telephone **07795 546425**, direct message via our **X** or **FB** pages or email **supermarinefc@aol.com** today.
