THE GAFFER

Bobby Wilkinson

Firstly, it's a good afternoon and a warm welcome to our visitors Saturday afternoon, **Tuffley Rovers**, who travel to the Imagine Cruising Stadium for an Emirates FA Cup Extra Preliminary Round tie. Along with my club secretary I went along to Gloucester to watch them last week and was very impressed with the way they were organised, and they had some very good players, with three or four very dangerous players that we must keep a close eye on. It will be a very tough challenge, but one that I feel we can win and move into the next round.

If you are watching us for the first time this season you be watching some of our new players lining up with a number that resigned from last season and hopefully, you will be happy with the rebuild we've made, their standards and their work ethics. The players will be wearing the badge with pride, and they'll be trying to win every game they play.

On Monday night we welcome last season's playoff finalist **Shaftesbury 1888** to the Imagine Cruising Stadium and for what will be another tough game for our first league match, but one we will enjoy. They came here in March, and we played well on a very heavy pitch to win 3-1.

We're a new and strong competitive team this year so hopefully we can continue with another positive result but without no doubt I expect Shaftesbury to be in the playoffs come April 2027. They have a good and very experienced squad, so we'll know by the end of end of the game on how far we've come or where we need to improve?

Although we are very confident that we can compete with them and the other top teams this season. Once again, thank you for all coming out to watch, you will be entertained, and you will see our players wear the badge with pride.

LAUNCHING THE PROPELLER CLUB CHAIRMAN'S MESSAGE

KEEPING MARINE *FLYING*

Dear Supporters,

The Supermarine name became known worldwide because ordinary people came together to achieve something extraordinary.

The aircraft built in Swindon by Vickers and later Supermarine were the product of thousands of people, each contributing skill, commitment and pride.

Our football club has always been built in that same spirit.

For generations Swindon Supermarine has relied on supporters, volunteers, sponsors and local businesses to help the club grow and serve our community.

**Today, that responsibility
belongs to all of us.**

Why The Propeller Club?

A propeller does not make the whole aircraft – but without it the aircraft cannot move forward.

For just £5 per number each month, you could win cash prizes while providing regular income the club needs to invest in its future.

Whether you choose one number or several, you will be making a genuine contribution to the future of Swindon Supermarine FC.

No individual can secure that future alone. Together, however, we can.

On behalf of the Board of Directors, thank you for your continued loyalty and support. I hope you will join The Propeller Club Monthly Draw and be part of another important chapter in the story of our football club.

**Together, we can keep the propeller turning.
Together, we can keep Marine flying.**

Best wishes,

Jez Webb

Hello and welcome to our Supermarine Youth Section. It is our aim to keep you updated on information and developments within the Youth Section of our club as the season progresses.

We are passionate about ensuring our youngsters enjoy playing football and help them along the way to develop their skills with a view to potentially building a pathway within our club, through the reserves and onto our first team and hopefully beyond.

All our coaches are all DBS checked and are fully qualified experienced personnel, and along with all our Youth team players all respect the FA's code of Conduct.

This season we have 16 mixed teams competing in the North Wiltshire Youth Football League with ages ranging from Under 7's up to and including our Under 16's team. These teams play their home games on the top field behind the first team pitch, usually on a Sunday Morning.

We also have three Girls teams this season ranging from U7's to U9's team playing in the North Wiltshire Youth Football League these all play on a Saturday morning.

We have two under 18 teams, one playing in the Wiltshire Senior Floodlit League who play their home games at The Great Western Academy on a Thursday evening with a 7.30pm kick off and the other playing in the Southwest Counties League who play on a Saturday morning with a 10.30am kick off.

Training for all teams from September onwards takes place in the Swindome here at the Imagine Cruising Stadium.

Supermarine U18'S

Following another successful season winning the South West Counties League and two cup competitions, Swindon Supermarine U18's return with a strong core of existing players who have committed to the club for the 2026/27 season, providing continuity, experience and a solid foundation to build upon the success of last season.

The squad has also been strengthened with several exciting new additions, adding quality, competition for places and squad depth ahead of what promises to be an exciting but challenging season.

Working closely with our newly formed Senior reserve team, our U18's remains an important part of our club's player development and pathway programme, with the aim of preparing and assisting talented young players to progress into the reserves and ultimately into our first team here at Swindon Supermarine FC.

Our reserve team coach Matt Roberts, and first team manager Bobby Wilkinson are both 100% fully committed to this initiative. You can keep updated with all the U18's results and match reports on this Youth section page as the season progresses

If you would like to know more about your child joining one of our Youth teams or indeed helping out one of the teams, then please contact our youth [secretary @mike.ash1959@gmail.com](mailto:mike.ash1959@gmail.com)

TAYLOR'S TALK

This Afternoon we welcome the officials, players and supporters of **Tuffley Rovers** to The Imagine Cruising Stadium for what promises to be a tight contest between two young sides.

Welcome to the first Taylors Talk of the 2026/27 season, as we play host two visitors, **Tuffley Rovers**, in the Extra-Preliminary Round of The FA Cup on Saturday and then, on Monday night, to Shaftesbury, in a tough looking opening first league fixture.

Tuffley, under the leadership of manager, Neil Mustoe, ex-Man United, Wigan Athletic, Cambridge United arrive here having travelled 36.4 miles down the A417/A419 and have already playing two competitive Hellenic League fixtures in the past week, a 2-1 home defeat to Cirencester Town last Saturday, followed by a trip to Fairford Town midweek.

Neil is known as 'Muzzy' at Glevum Park, has managed to retain most of his squad from last season, when the Rovers finished tenth in the Hellenic Premier Division standings, losing two key players to clubs in higher leagues and described their pre-season as mixed. With the winners of the FA Cup Final on May 22nd next year receiving £4.2 million in prize money, today's winners will receive the princely sum of £1,125 with losers getting £375, and an away trip in two weeks' time to the winners of the Didcot Town versus Binfield tie!

If, after 90 minutes plus of today's game ends in a draw, there will be no extra time, a replay back at Glevum Park midweek and the Monday night league fixture against Shaftesbury will be rescheduled for a later date. If there a result Saturday then on Monday evening, we welcome **Shaftesbury 1888**, as we open our Southern League Division One South campaign against last season's playoff finalists, who will, no doubt, start as one of the favourites to go one better in 2026/27.

Following the 2-3 defeat to Malvern Town in the playoff final, manager Jim Milligan departed, with Josh Staunton, ex-Yeovil Town, Poole Town and Woking amongst others, taking over the reins at the Rockies and overseeing a preseason which ended with a 2-1 home win against Chippenham Town. Shaftesbury arrive in Wiltshire having already played their opening league fixture on Saturday, a home game against Marine's opponents this coming Friday night, Bishops Cleeve.

With last season's experienced top scorer, Toby Holmes moving on to promotion favourites Weymouth, Staunton has acted quickly, bringing in one of the league's top marksmen, Dawid Regula from Larkhall Athletic, to spearhead their attack. Regula has enjoyed success against Marine in the past and will be looking to continue that trend, so Marine's defence will need to keep him quiet tonight if a win is to be achieved!

The two sides played out a bad tempered 3-1 win to the home side in Dorset last August Bank Holiday, notable for Dan Warre's 25-yard rocket-shot into the top corner, as well as three red cards given out! Marine gained revenge in, arguably, their best performance of the season, winning 3-1 in March, a 17 second opener from Tawana Changa, followed by a brace by Sal Abubakar. Finally, with Marine looking to improve on last season's twelfth position in the final standings, we do need to cut out the high number of draws we had last season.

TUFFLEY HISTORY

The late Donald E Hall founded Tuffley Rovers FC in 1929. The Club's Headquarters were in a former railway carriage, which served as Mr Hall's Boot and Shoe repair shop on the Stroud Road at Tuffley in the City Of Gloucester.

The Club started its playing life in the North Gloucestershire League. Senior XI Championship honours include that of the North Gloucestershire League and Stroud and District League (4 times) and in 1987/1988 the Club were Champions of the Gloucestershire Northern Senior League and gained promotion to the Gloucestershire County League.

After two seasons of consolidation the Club won the County League Title in 1990/1991, their application to join the Hellenic League was successful and they were accepted into Hellenic Division One.

Progress continued as in the 1992/1993 season Rovers were Champions of Division One and Division One League Cup Winners and after promotion competed in the Premier Division of the Hellenic League from 1993/1994, regularly finishing in the top half of the table.

The 1998/1999 season saw Tuffley win the Norman Matthew's Floodlit Cup defeating Carterton Town in the final. Whilst the Club enjoyed this success, the 2nd XI and 3rd XI also gained promotion and championship honours.

The 1998/1999 season saw the 2nd XI win the Northern Senior League and reach the finals of both the County Cup and League Cup, unfortunately losing out on both occasions.

Promotion, however, was not possible as reserve teams were not allowed at that

NON-LEAGUE BIG WEEKENDER

Non-League Day, Big Weekender announced for the Easter Bank Holiday weekend fixtures.

As non-League Day falls on the Easter Bank Holiday weekend, fixtures this season, the team behind non-League Day have decided to include all fixtures across the weekend.

This means that all teams will have a home fixture celebrated during the event this season! It will take place Non-League Day Big Weekender will take place on **Friday, March 26, and Monday, March 29, 2027**. Marine's league fixture versus **Slimbridge** is on **Good Friday 26th March**. More news to follow nearer the date.

BOREHAM WOOD have incredibly turned down a non-league **£1MILLION** bid for star striker Abdul Abdulmalik. Swedish side 'Djurgardens' offer matched the eye-watering seven-figure sum that Fleetwood received from Leicester City for Jamie Vardy back in 2011.

The 23-year-old winger has rapidly transformed into one of the most feared and potent attacking forces outside the EFL. Abdulmalik first signed for the Hertfordshire club in July 2024 after coming through the academy ranks at Championship club Millwall. He quickly made a huge impression at Meadow Park, playing a pivotal role in guiding Boreham Wood straight back up into the National League from the National South Division. His stunning form continued last season, picking up a spot in the Team of the Season.

The talented attacker, who is the cousin of Torino midfielder Tino Anjorin, dazzled fans with moments of individual magic in their playoff push. EFL One clubs Sheffield Wednesday and Stockport have been monitoring the player while a clutch of clubs across the continent have put feelers out.

Abdulmalik admitted this summer: "I'd say it was a breakthrough season for me. I've been able to show people what I can do. "In our last game we missed out on promotion by about five seconds, which is so disappointing.

point to enter the Gloucestershire County League and progress further up the pyramid system.

The Club continued to thrive in the Hellenic League and managed to win the Floodlit Cup again in the 2002/2003 season defeating Brackley Town over two legs in the final.

However, the ever-changing ground grading requirements, if the club was to remain in the Hellenic League, and the financial strain these improvements imposed on the Club forced Tuffley Rovers to make the decision to withdraw from the Hellenic League in 2005 and settle for football in Gloucestershire.

After a difficult start Rovers were crowned champions of Division 2 of the Northern Senior League in the 2005/2006 season and were promoted to Division 1. After a slow start the team put together a consistent run and managed to claim the Division 1 Title as well as win the GFA Senior Amateur Cup and reach the final of the Reg Davis Memorial League Cup.

A return to the Gloucestershire County League followed and the club finished a very creditable 4th place (2007/8) but the summer of 2008 saw several senior players retire. Over the next few seasons, an evolving squad finished 11th, 3rd, 6th and 3rd in the County League, before the 2012/13 Season marked an improvement for the club.

After challenging for league title all season, the club couldn't quite maintain the form to secure the championship title, finishing second. However, this was enough to gain promotion to the Hellenic League Division One (West) for the 2013/14 season.

On their return to the Hellenic League, The Rovers saw a season that witnessed some turmoil – including the departure of manager, Doug Foxwell – to record a decent sixth place finish and some good cup results.

This was followed up with the Runners'-up spot in 2014/15 and promotion back to the Hellenic Premier Division, exactly ten years after they had withdrawn from the League.

The first season saw a struggle against relegation, ultimately resulting in the resignation of Warren Evans as manager, before the club retained their status due to a vacancy in the league, after finishing 17th.

Mark Pritchett was then appointed as Player/Manager and took the side to consecutive 10th placed finishes, before a 15th place finish in 2018/19. Two pandemic affected seasons then passed, with Pritchett leaving the club part-way through. Rich Cox took over as Manager for a single season but resigned midway through 2021/22 after a disastrous run of results.

Former Manchester United player Neil Mustoe then took over, steering the club away from danger (finishing in 17th place) and has overseen an improvement in each season since that time, culminating in a 10th place finish at the end of the 2025/26 season.

PLAYER PROFILES

GOALKEEPER

Luke Merchant

Club captain who returned to the club in the 2022/23 season, after a Hellenic League Premier Division title winning season at Bishops Cleeve. A great shot stopper, commanding presence and accomplished keeper. Holds the club record for Hellenic League appearances as a keeper.

DEFENDERS

Callum McLean

Impressed at right-back upon signing for the 2025/26 season but has also shown promise playing as a central defender. Defends well, ultra-competitive and comfortable on the ball.

Zak Ben Ali

Right-back who joined the club in the summer. Very comfortable on the ball and likes to get forward.

Elijah Simpson

Player under Neil Mustoe at Gloucester City U18s and joined from Brimscombe & Thrupp for 2024/25. Comfortable on the ball when in possession, shows a turn of pace, and good defensively.

Dan Lander

A player who has not held down a regular place in the starting line-up but has been a constant presence in Neil Mustoe's squad for several reasons.

Will Dijaha-Nsangou

Young defender who has joined from Slimbridge U18s and made some impressive performances in pre-season. Big, strong and calm on the ball. Looks to be a good signing, with the potential to develop. A genuine prospect.

Ellis Clifford

Ellis came through the U18s squad, after joining from Gloucester City's youth set-up. Made a breakthrough in 2023/24 and has now amassed almost 100 appearances at left-back, with an occasional appearance as a centre-back. An improving and emerging talent, developing all the time.

Mark Pritchett

A veteran who is now confined to the occasional appearance but shows the class of a player who tasted Hellenic League title success at Bishops Cleeve. Previously at Rovers as Player / Manager before stepping away from the role in 2021/22. Offers a no nonsense, old-fashioned approach in each game and is a threat in the opposition box.

DEFENDERS / MIDFIELDERS

Zak Jones

Joined the club after making his Hellenic League debut at Brimscombe & Thrupp and excelled for the U18s. Versatile, good on the ball and has played Academy football. Became a regular squad member during 2025/26 so could this be his breakthrough year? Most likely to be an option at right-back but can also play higher up the field.

Harley Mustoe

Had gained experience playing County League football for Hardwicke and then held down a regular first team spot after making his debut as a substitute in our first game of 2024/25. Most comfortable in midfield but has played at full-back or centre-back, looking equally comfortable and very accomplished. Young Player of the Year 2024/25 and Players' Player of the Year last season.

"There's two times of year for me: Football season and waiting for football season." (Darius Rucker)

Darius Rucker has it right. There are two seasons: football season, and the long wait for it. At last, the waiting is over. The new season starts here, freshly polished, wonderfully unpredictable, and carrying a suitcase full of possibilities. Whether you are eight or eighty a sense of anticipation starts to gather momentum.

Out come the scarves, the old opinions, and the bold predictions that may be quietly buried beneath the programme collection by September. Fixtures are circled. New signings are studied assiduously. Somewhere, someone is explaining why this could be the year, and all of this is exactly how it should be. Marine begin with a proper double helping. First, we welcome **Tuffley Rovers AFC** to the Imagine Cruising Stadium for Saturday's Emirates FA Cup tie. To their players, officials, and travelling supporters, a very warm welcome. The FA Cup sprinkles stardust on any afternoon, and in these early rounds every club arrives thinking: why not us?

Then on Monday evening we welcome **Shaftesbury** for the opening league fixture of the campaign. They were one of the strongest sides in the division last season and came close to promotion. A warm welcome, too, to everyone connected with the Rockies. The beauty of the opening week is that nothing has settled. The table is still a blank sheet, full of innocent hope and no goal difference calculation skulking in the corner. Every side can imagine a story worth telling. Every supporter can believe something memorable might be about to happen.

There will be the usual rituals. The first misplaced pass will be analysed as if it contains the secrets of the universe. The first crunching tackle will wake the stand. The first wayward shot will alarm the pigeons in the trees behind the crossbar. The first goal will feel like the season has opened its front door and invited us in. There is something wonderfully renewing about football at this level. It is about opinions, points and cup draws, but also familiar faces, volunteers giving their time, supporters finding their voices, and a team stepping out knowing the whole place is willing them on. Non-league football is close enough to feel, honest enough to matter, and unpredictable enough to make sensible people trust a lucky scarf.

So here is to the new season: the cheers, the groans, the late winners, the away trips, the programme notes, and the glorious uncertainty of it all. May it bring pride, progress, laughter, and a few moments still being discussed when April 2027 appears. Until then, keep the lucky scarf handy, trust the omens, and remember the football supporter's maxim: shout your encouragement and mumble your criticisms.

Come on Marine!

Callum McGuirk

Signed from Longlevens in 2022, where he'd largely been used at full-back, he is a hard-working midfielder, who looks comfortable on the ball, usually sitting just in front of the back four. Played academy football during his earlier years, including a spell at Bristol City. Has become a vital part of the squad. Offers leadership in the heart of the team.

MIDFIELDERS

Corey Warrington

Signed at the start of 2024/25 after excelling at Northern Senior League side Tredworth Tigers during 2023/24. A highly energetic midfielder who likes to get on the ball and is well regarded in local football. A real talent who has attracted plenty of attention from other clubs.

Preston Mason

Former Forest Green Rovers Academy player signed from Hereford Pegasus early in the 2025/26 season. Diminutive figure who has been a great addition. Great feet and good energy and will usually pop up with an occasional goal!

Warren Mann

Our longest serving player with almost 550 competitive games at Step 7 and above over a 20-year period. The player opposition players, officials and supporters love to hate! He is returning to the first team squad this season after missing much of the 2025/26 season after surgery on a serious injury.

Jacob Eakers

New signing for 2026/27, joining from Brimscombe & Thrupp, after spells at Stonehouse Town and Gala Wilton. Will add a physical presence but is also good on the ball and has an eye for goal. Capable of playing in other roles if needed, his versatility will be welcome.

MIDFIELDER / FORWARD

Kieran Alder

Returned to the club in 2022/23, after spells with Cinderford, Bishops Cleeve and Worcester City, and overcame injuries to return to his best. Gifted No.10, whose work rate is as noticeable as his work on the ball - a creative player, who is also a regular goalscorer. Previously with Neil Mustoe's U18s at Gloucester City.

FORWARDS

Karnell Chambers

Experienced at a higher level, this is a player who Neil Mustoe was delighted to sign in November 2023. Previously at Gloucester City, Hungerford Town, North Leigh, as well as a spell overseas, and is a goalscorer equally at home wide or in the middle.

Leighton Blacker

New signing and a quick, powerful forward, capable of playing in a central role or out wide. He has previous Hellenic League experience, including spells at Slimbridge and Fairford Town. A great addition to our attacking line-up.

Connor Walters

Returning to the club for 2026/27 after a spell away at Stonehouse Town. A popular player who usually features out wide and is strong, quick footed and full of trickery. A welcome returnee who has played over 100 times for the club.

Raiyan Ahmed

A new signing and a great addition to the squad. Lightning pace, skilful and an eye for goal. Has previous experience with Slimbridge, Westfields and Pershore Town and will offer a genuine attacking threat.

A WARM WELCOME TO OUR VISITORS TONIGHT

SHAFTESBURY 1888

CLUB HISTORY

The original Shaftesbury FC were founded in 1888 after builders from Warwickshire requested a football match with the local men of Shaftesbury working on Motcombe House. This led to Shaftesbury Football Club being founded at the Ship Inn in the town.

Originally the club played at the original cricket field the other side of Coppice Street in the local Shaftesbury & District League.

By the 1930's the club began playing games in the wider area of Dorset and added 'Town' to the club's name. The club also moved to Barton Hill in 1935.

It is believed there was also once a ground at St James outside the town. An original history was written by former player Terry Warder on the 100th year centenary in 1988 and is a fascinating insight to the early years of the club.

Shaftesbury were founder members of the Dorset Combination League in 1957 and in 1974 moved to Cockrams with the ground situated next to the current one. Shaftesbury won the Dorset Combination League in 1988/89 and 1995/96.

A new ground was opened in 2001 with a 220 seat stand constructed. The club joined the Wessex League Division 2 in 2004/05.

SHAFTESBURY FC 1888 - A NEW ERA

Relegated in 2010/11 back to the Dorset Premier League after some lean years as Shaftesbury FC and known as Shaftesbury Town as well, the club became Shaftesbury FC 1888 and in 2015/16 were promoted back to the Wessex League as Dorset Premier League champions.

Now known as Shaftesbury FC 1888 FC taken over by the Coffen family after financial collapse of the old club and the name of the club incorporated the year of the original foundation of the football club in the town with Steve Coffen chairman.

Promotion to the Premier Division followed in 2016/17 and in 2021/22 the club won the Wessex League Cup and got to the 2nd Qualifying Round of the FA Cup playing Bath City from the National League South achieving a record attendance of 675.

The club now had a 3G surface installed and reached the 3rd round of the FA Vase in 2022/23 going out to Brixham AFC on penalties.

The 'Rockies ' were promoted in 2024 as playoff winners, winning the final 1-0 at AFC Stoneham to get promoted to the Pitching In Southern League Division One South for the first time ever.

Shaftesbury reached the final of the Pitching In Southern League Division 1 (South) playoffs in 2025/26 but were defeated by Malvern Town.

Below the name, the tagline 'CONNECTING YOU WITH THE MARKETING SERVICES YOU NEED' is written. The services offered are listed in a vertical stack: DESIGN, PRINT, DM, SIGNAGE, and MERCHANDISE. Each service is accompanied by a small image: a laptop and smartphone for design, a smartphone for print, a smartphone for DM, a laptop and smartphone for signage, and a pair of socks for merchandise. At the bottom, the text 'CONTACT US TODAY' is followed by the website 'WWW.THEMARKETINGCONNECTION.CO.UK' and the phone number '01793 296535 | hello@themarketingconnection.co.uk'.

SUPPORTERS CLUB FUNDRAISERS £1-A-POINT & SEAT DONATION

Each season we have three supporter's initiatives, the **£1-a-Point Membership**, **Seat Donation** and **Match Predictor Quiz** and we will be looking for your support on these initiatives once again in this **2026/27 season**.

The Supporter's Club Initiatives are opportunities where you can help the club financially with their Southern League day to day running costs, which vary, from pitch maintenance to the bandages that adorn the player's ankles!

The **£1-a-point** membership, which is as simple as it sounds as you commit to a financial sponsorship of every point, we achieve this season. For a small outlay, each week it is money that perhaps does not get missed as much as a larger sponsorship would. This is an ideal way for the supporters to feel a bigger part of the club and bring value to your support.

Another initiative is our **Seat Donation** in the main stand. The cost for this is **£30** and your selected seat will be endorsed with your name, and it is yours to sit in at all our home games that you attend at the Webbwood Stadium.

Your support for both these initiatives will be endorsed in this matchday programme and on the club website. Once again, our friends and supporters will have the chance to participate in any one of these **Swindon Supermarine Supporters Club Fundraising Initiatives**.

If you can help with any one of these initiatives please contact **Keith**, either telephone **07795 546425**, direct message via our **X** or **FB** pages or email **supermarinefc@aol.com** today.
